CIN Legal Data Services' Bankruptcy Specific Creditor Address Feature Now Offers Increased Coverage and Functionality...

Continuing Its Wave of Product and Technological Releases for 2007, CIN Legal Data Services Rolls Out Expanded Creditor Address Coverage And Bankruptcy Software Importation Capabilities for Its Market Leading and Attorney Preferred CLR Product...

CIN Legal Data Services has announced that its exclusive industry-leading Bankruptcy Specific Creditor Address feature has been expanded. Created to supplement creditor address information supplied by the national credit repositories, the Bankruptcy Specific Creditor Address feature provides attorneys with designated bankruptcy noticing addresses for the majority of creditors appearing within a given consumer's Consumer Liability Report (CLR). Attorneys utilizing the CLR are able to obtain both credit bureau provided addresses and bankruptcy specific creditor addresses obtained by CIN Legal Data Services as part of the CLR.

Since releasing this feature in April of 2007, CIN Legal Data Services has worked diligently to increase its creditor address coverage. Currently, CIN Legal Data Services has built its proprietary bankruptcy creditor address database to include information on over 65% of all creditor records delivered by the company. CIN Legal Data Services' database of bankruptcy specific creditor addresses, as well as its ability to deliver that information in real-time, remains unmatched within the industry.

CIN Legal Data Services is further pleased to announce that its bankruptcy specific creditor addresses may now be downloaded directly into multiple bankruptcy forms preparation software systems. Via this increased functionality, users can now directly download CIN Legal Data Services' verified creditor addresses into their clients' various bankruptcy schedules. This feature helps ensure that proper noticing takes place upon the filing of clients' bankruptcy cases.

To learn more about CIN Legal Data Services' increased creditor coverage, or to learn more about the availability of bankruptcy specific creditor addresses via the company's strategic software partners' systems, please contact a CIN Legal Data Services Account Manager. Account Managers may be reached between the hours of 8:00 AM – 9:00 PM EST at 866.218.1003.

CIN Legal Data Services Now Offers American Express Payment Option...

CIN Legal Data Services is pleased to announce that current clients may now utilize their American Express card as a means of payment when making both one-time and re-occurring payments on their account. To utilize an American Express card for payment, clients simply need to access the CIN Legal Data Services payment module within CIN Online, the company's web-based transaction platform, for purposes of making an account payment. For clients using one of the company's re-occurring payment programs, please contact a CIN Legal Data Services representative at 866-218-1003 to modify your account to utilize the American Express credit card.

CIN Legal Data Services F.A.Q. & Helpful Hints...

Question: Where do your Bankruptcy Specific Creditor Addresses come from?

Answer: CIN Legal Data Services maintains a staff of individuals whose primary responsibility is to acquire bankruptcy specific creditor addresses. Every address provided by CIN Legal Data Services has been acquired by its staff and then re-verified twice prior to insertion into its production database.

Question: How often are Bankruptcy Specific Addresses updated?

Answer: Each Bankruptcy Specific Address provided by CIN Legal Data Services is updated at least once every 90 days. By updating addresses frequently, users of the company's Consumer Liability Report (CLR) are assured of receiving accurate and updated information. To view the last update date for a particular creditor name, simply review a copy of the CLR that contains the creditor in question. Each creditor listing displays the last verified date within the PDF copy of the report.

Question: Can I import Bankruptcy Specific Addresses directly into my petition processing software?

Answer: Yes. A number of CIN Legal Data Services' bankruptcy software partners have made the Bankruptcy Specific Addresses available for importation. To acquire information on software programs currently supporting this feature, or to acquire information on utilizing this feature, please contact a CIN Legal Data Services Account Manager at 866.218.1003 or via e-mail at sales@cinlegal.com.

Meet Us in Las Vegas!
